COMUNICADO URGENTE
Doctor Jiménez
Cordial saludo

Envío esta carta con el fin de que ustedes me solucionen el problema que tengo. Como ustedes saben que yo jairo charris castro tengo orden de captura por parte de la fiscalía general de la nación. Doctor Jiménez para su conocimiento la empresa Multinacional drummond fue la que mando hacer el trabajo de los 3 sindicalistas. El señor jin jakin hablo conmigo en la oficina de servicios especiales para coordinar la operación en contra de los 3 sindicalistas ya que los señores mencionados eran los que coordinaban las voladuras de los trenes con la guerrilla de las FARC. El señor jin jakin me dijo que quitáramos esa gente del camino que le está causando mucho daño a la compañía drummond, fue cuando yo coordiné la operación que se hizo. Que los beneficiarios fueron ustedes y al doctor Jaime blanco le quitaron el contrato que nada tiene que ver con este problema ya que el señor jin jakin me aseguro que el contrato no se lo quitaban y se podía renovar el contrato por 4 años mas a la compañía industrial de servicios de alimentos ISA y todo eso fue mentira, me ofrecieron una plata por la operación que se hizo y todo fue promesa por parte de drummond. También hice un curso de manejo defensivo en la mina y el personal de servicios especiales me saco de la mina por orden del coronel luís Carlos Rodríguez. Doctor augusto Jiménez quiero que tenga claro que el señor Jaime blanco no estuvo de acuerdo con ese trabajo y como yo era jefe de seguridad de industrial de servicios y alimentos tenía toda la autonomía y la coordinación con la parte de seguridad de servicios especiales, directamente con el coronel luís Carlos Rodríguez y después me veto de la mina para que no entrara mas. Doctor Jiménez cuando se iba hacer la operación yo le comente al señor jin jakin que por quien estaba autorizado para hacer ese trabajo y me respondió que estaba autorizado por el señor gary drummond, augusto Jiménez, Alfredo Araujo, el general peña ríos y el coronel luís Carlos Rodríguez y el me comento que era la mano derecha de gary drummond y de augusto Jiménez. Doctor, usted sabe que con la muerte del señor Hugo guerra, el señor jin jakin me dio un cheque para pagarle el trabajo al comandante alias el tigre y esa plata salio del coronel garzón jefe de seguridad de la línea férrea de drummond. Doctor Jiménez el sindicato me esta ofreciendo plata para que yo diga la verdad a la revista semana y me mandan por vía Venezuela a estados unidos para que yo comente la verdad a la oficina de derechos humanos internacional pero yo no confié en esa gente y nunca he gustado del sindicato. La fiscalia le ha comentado a mi familia que me entregue, que pida beneficios y protección. Doctor Jiménez todas las coordinaciones que hacía la compañía drummond con las auc soy testigo.

Doctor Jiménez la única persona que me estaba dando la mano económicamente era el señor Jaime blanco pero ahora el esta mal económicamente. Yo estoy mal económicamente tengo que pagar abogado y no tengo plata. mi esposa y mis hijos están mal económicamente doctor Jiménez. No vaya a tomar esto como un chantaje, esto es la realidad. De los hechos mi familia sabe, si ustedes tratan de atentar contra mi vida, los responsables son ustedes como empresa drummond.

Gracias.

Espero pronta respuesta.

 President Drummond Colombia
 URGENT MESSAGE

Doctor Jiménez

Cordial Greetings

I am sending you this letter for you to solve this problem I am having. As you well know, I, Jairo Charris Castro, have an arrest warrant against me from the Attorney General of the Nation. Doctor Jiménez, for your information, the multinational Drummond was the one that ordered the job on the 3 union leaders. Mr. Jin Jakin [sic] spoke with me in the office of special services to coordinate the operation against the 3 union leaders since those men were the ones who coordinated the blasting of the trains with the FARC guerrillas. Mr. Jin Jakin told me to get those people out of the way, because they were causing considerable damage to the company Drummond. That was when I coordinated the operation that took place. That you were the beneficiaries, and that doctor Jaime Blanco's contract was taken from him has nothing to do with this problem since Mr. Jin Jakin assured me that the contract would not be taken from him and that it could be renewed for 4 more years, with the company Industrial de Servicios de Alimentos ISA but all that was a lie, they offered me money for the operation that was carried out and it was just a promise by Drummond. I also took a defensive driving course at the mine and the special services personnel got me out of the mine by order of Colonel Luis Carlos Rodriguez. Doctor Augusto Jiménez, I want you to have clear in your mind that Mr. Jaime Blanco did not agree with that job and since I was the head of security of Industrial de Servicios y Alimentos I had all the autonomy and coordination with the special services security part, directly with Colonel Luis Carlos Rodriguez, who later barred me from the mine, never to be allowed back in. Doctor Jiménez, when the operation was about to be done, I asked Mr. Jin Jakin who was authorizing that job and he told me it was authorized by Mr. Gary Drummond, Augusto Jiménez, Alfredo Araujo, General Peña Ríos and Colonel Luis Carlos Rodríguez, and he told me he was Gary Drummond's and Augusto Jiménez's right hand man. Doctor, you know that with the death of Mr. Hugo Guerra, Mr. Jin Jakin gave me a check to pay the Commander alias El Tigre for that job, and that money came from Colonel Garzón, the Chief of Security the Drummond rail line. Doctor Jiménez, the union is offering me money to tell the truth to the magazine "Semana" and they are sending me through Venezuela to the United States for me to tell the truth to the international human rights office but I don't trust those people. I have never liked the union. The Prosecution has told my family that I should turn myself in, that I should seek benefits and protection. Doctor Jiménez, I am a witness to all the coordinations between the company Drummond and the AUC.

Doctor Jiménez, the only person giving me a hand, economically, was Mr. Jaime Blanco, but now he is not doing well economically himself. I am not doing well economically - I have to pay for an attorney and I have no money, my wife and children are not faring well economically, doctor Jiménez. Please don't take this as a bribe - it's just reality. Regarding the facts, my family knows that if you make any attempt on my life, that you are responsible, as the company Drummond.

Thank you.

I expect a prompt reply.

Respectfully, Jairo Charris Castro
