Good morning!

Terry, please "reply all" with your approval of this week's admin requests.

Ty and Cathy, please see attached and process for payment.

- **Maggie Crosby reimbursement:** matter numbers vary, please see attached sheet.
- **Victoria Ryan:** timesheet for contract hours worked on matter 090501.

Thanks!

*Note

Since the procedure has changed and you are now sending the money to IRAdvocates and asking me to make the moneygram/western union transactions, we'll need to process requests even further in advance. Please make sure that this money gets transferred to the IRAdvocates account by Wednesday, February 1st, so that I have an extra day for these wire errands.

**Please also include \$40 for Yina wire and \$25 for Jose wire with these requests, as I need to pay processing fees.
