The 10 k is for unusual costs for lawyers and prison guards and other people that successfully facilitated getting all of the AUC witnesses transferred from their prisons to the appropriate courts where we took their testimony. These are the sorts of costs we have discussed several times. I'm going back to Colombia Monday May 14- may 26 to finish the remaining testimonies and will certainly incur additional costs this nature of 3-4,000.

RICHARD, please advise on the outstanding 100k owed back to me as costs for Andre and company. I've sent the documentation twice now. Thanks

I will work with Bill to schedule a summit for when I get back from Colombia. We need to get more help and move into full trial prep mode for Drummond.
